

Keep Sending Your Love

A Song by Vernon Louis Hicks

Oh yeah
You make me so happy
Whenever I see your smile (Whenever I see your smile)
The glow on your face girl
Drives me wild
Like birds need their feathers
Without them they won't fly (Without them they won't fly)
Without your love baby
I would surely die

So, I'm telling you
(Keep sending your love now baby)
Ooooo yeah
(Keep sending me sweet, sweet love)
(It's the only love I'll ever need)
Hmmmmm mmmmm mmmm

Sweet and tender
You are my dream come true (You are my dream come true)
Cherish each moment I spend with you (Cherish each moment I spend with you)
I really do girl

Now and forever (Now and forever)
I'm gonna be by your side (I'm gonna be by your side)
We've got a love much larger than life (Much larger than life)
So, I'm tellin' you again

(Keep sending your love now baby)
(Keep sending me sweet, sweet love)
(It's the only love I'll ever need)

Whoooo girl
I can't envision
A day that we're apart
Ooooo at least not in my heart

The road is sometimes
Big and kinda' rough
We've had each other baby
And that's always been enough

(Keep sending your love now baby)
Ooooo I need you lady (Keep sending me sweet, sweet love)
From the bottom of my heart
(It's the only love I'll ever want)
I know we'll never part
Ooo girl

(Keep sending your love now baby)
Whooooo
(Keep sending me sweet, sweet love)
First and light of my soul
(It's the only love I'll ever need) Now the soul of my life
Baby, I want you to be my wife
(Keep sending your love now baby)
Ohh whoooaaa, baby
(Keep sending me sweet, sweet love)
Sweet love
(It's the only love I'll ever want)
