

Singer Man

A Song by Vernon Louis Hicks

Oooooohh oooooohh
Whooooooooo

Oh, singer man
Serenade my love for me
Sing the words I long to speak

Oh, singer man
Play your music soft and sweet
To win her heart for me

Her eyes that shine like diamonds (Oh
Singer Man)
(Oh Singer Man)
Pierces me right through my heart (Oh
Singer Man)
(Oh Singer Man)
An intoxicating rhythm (Oh Singer Man)
(Oh Singer Man)
That makes the birds dart (Oh Singer
Man)
(Oh Singer Man)
Oh, singer man (Oh Singer Man)
(Oh Singer Man)
(Oh Singer Man)
Serenade my love for me (Oh Singer
Man)

(All I know when she's with me)
(My heart is filled with ecstasy)

Oh, singer man
Tell her I need her in my life
Without her I'd surely die
Oh, singer man
Singer man
Captivated by her charms

Long to hold her in my arms
I worship and adore her (Oh Singer Man)
(Oh Singer Man)
Tremble at her fingertips (Oh Singer
Man)
(Oh Singer Man)

And her name is spoken like a breath
(Oh Singer Man)
(Oh Singer Man)
That falls softly off her lips (Oh Singer
Man)
(Oh Singer Man)

Oh, singer man (Oh Singer Man)
(Oh Singer Man)
Oh (Oh Singer Man)
Serenade my love for me (Oh Singer
Man)

(All I know when she's with me)
(My heart is filled with ecstasy)

(Heart and soul)
(Forever more)

Whooooooooo

Her eyes that shine like diamonds (Oh
Singer Man)
(Oh Singer Man)
Piercing me right through my heart (Oh
Singer Man)
(Oh Singer Man)
An intoxicating rhythm (Oh Singer Man)
(Oh Singer Man)
That makes a fire start (Oh Singer Man)
(Oh Singer Man)

Oh, singer man (Oh Singer Man)
(Oh Singer Man)
Oooohhhhhh (Oh Singer Man)
(Oh Singer Man)
Serenade my love for me (Oh Singer
Man)

I worship and adore her (Oh Singer Man)
(Oh Singer Man)
Tremble at her fingertips (Oh Singer
Man)
(Oh Singer Man)
And her name is spoken like a breath
(Oh Singer Man)
(Oh Singer Man)

That falls softly off my lips (Oh Singer
Man)
(Oh Singer Man)
Oh, singer man (Oh Singer Man)
(Oh Singer Man)
Oh, serenade my love for me (Oh Singer
Man)
